To Whom it may concern

We confirm that PT Trans Continent is our agent representing Freightplus Japan through out Indonesia

We selected PT Trans Continent as our representative agent because they have displayed a great knowledge of our business servicing the mining and construction industry.

PT Trans Continent have proven over our numerous years of cooperation to be an excellent and honest organization, they will go out of there way to ensure that all of our Shipments are handled professionally and with greatest of care, they also have a brilliant track record when it comes to getting the job done, regardless of pressures

Freightplus' Japan looks forward to strengthening our relationship and partner ship over the coming years.

Yours truly

MAndreoni
